"Where are we going" is a question that every man has asked himself or others since his first appearance on the earth several thousand years ago. Of course, each has had a different answer relevant to his surroundings in time and space.

To the primitive man, the answer was probably a simple grunt meaning food, shelter, and clothes. As man progressed, however, he bagan to think of his life in terms of a job, a career, or, as did the early Greeks, in a philosophical vein. Here is an important distinction; philosophers, Greek and otherwise, have long advocated seeking peace within one's self. . . . no matter what his material position, or the price it may cost. Another direction, which could probably be described as the naturalistic instinct, has led many to strive for all the material possessions they can obtain . . . sometimes regardless of the spiritual state it may bring.

Of course, the ideas of living cannot, and should not, be broken down into such black and white categories. We of the Gusher Staff would simply like to raise some questions in your mind as to where YOU are going . . . . . what direction you are headed in . . . and how you should try to get there.

Eagerly looking over graduation announcements are: President, Bruce Lunder; Vice-President, Brad Newell; Secretary, Michele Cruce; Treasurer, Pam Parker.

Seniors Contemplate New Horizons

In the fall of 1962, 210 timid young freshmen entered the buildings of Brea-Olinda and edged their way down the halls which were so new for them. Little by little, this class of varied talents began to become part of the school and participated in activities, such as the sponsoring of the dance after the Capistrano basketball game and the newly initiated Humanities Week. Class President, Sam Rametta; Vice-President, Ken McCoy; Secretary, Dave Cooke; Treasurer, Alana McGuire represented their class as Executive officers.

As sophomores, the class of '66 re-entered the halls of Brea-Olinda with eyes of experience and responsibility. Challenges were accepted willingly by this energetic class as exemplified by President, Reed Herbst; Vice-President, Janet Avery; Secretary, Sandy McCormick; and Treasurer, Alana McGuire.

As September again rolled around, this class returned as upper-classmen. Attention was gained as they continued to achieve not only scholastically but also athletically. The Junior-Senior Prom, entitled "Magnolias in May" was the height of their junior year.

The first annual Powder Puff football game signaled the opening of their senior year at Brea-Olinda and typified their desire to start new traditions. The next memorable event was a picnic at Irvine Park followed by beach parties and mountain trips. Fund raising projects and early organization led by President, Bruce Lunder; Vice-President, Brad Newell; Secretary, Michelle Cruce; and Treasurer, Pam Parker attributed to the fabulous All Night Party at Catalina Island. Their senior year culminated all the years of hard work and study, of new adventures and experiences, and of learning to accept and appreciate responsibility. This senior class will certainly do as well in their futures as they have done at Brea.

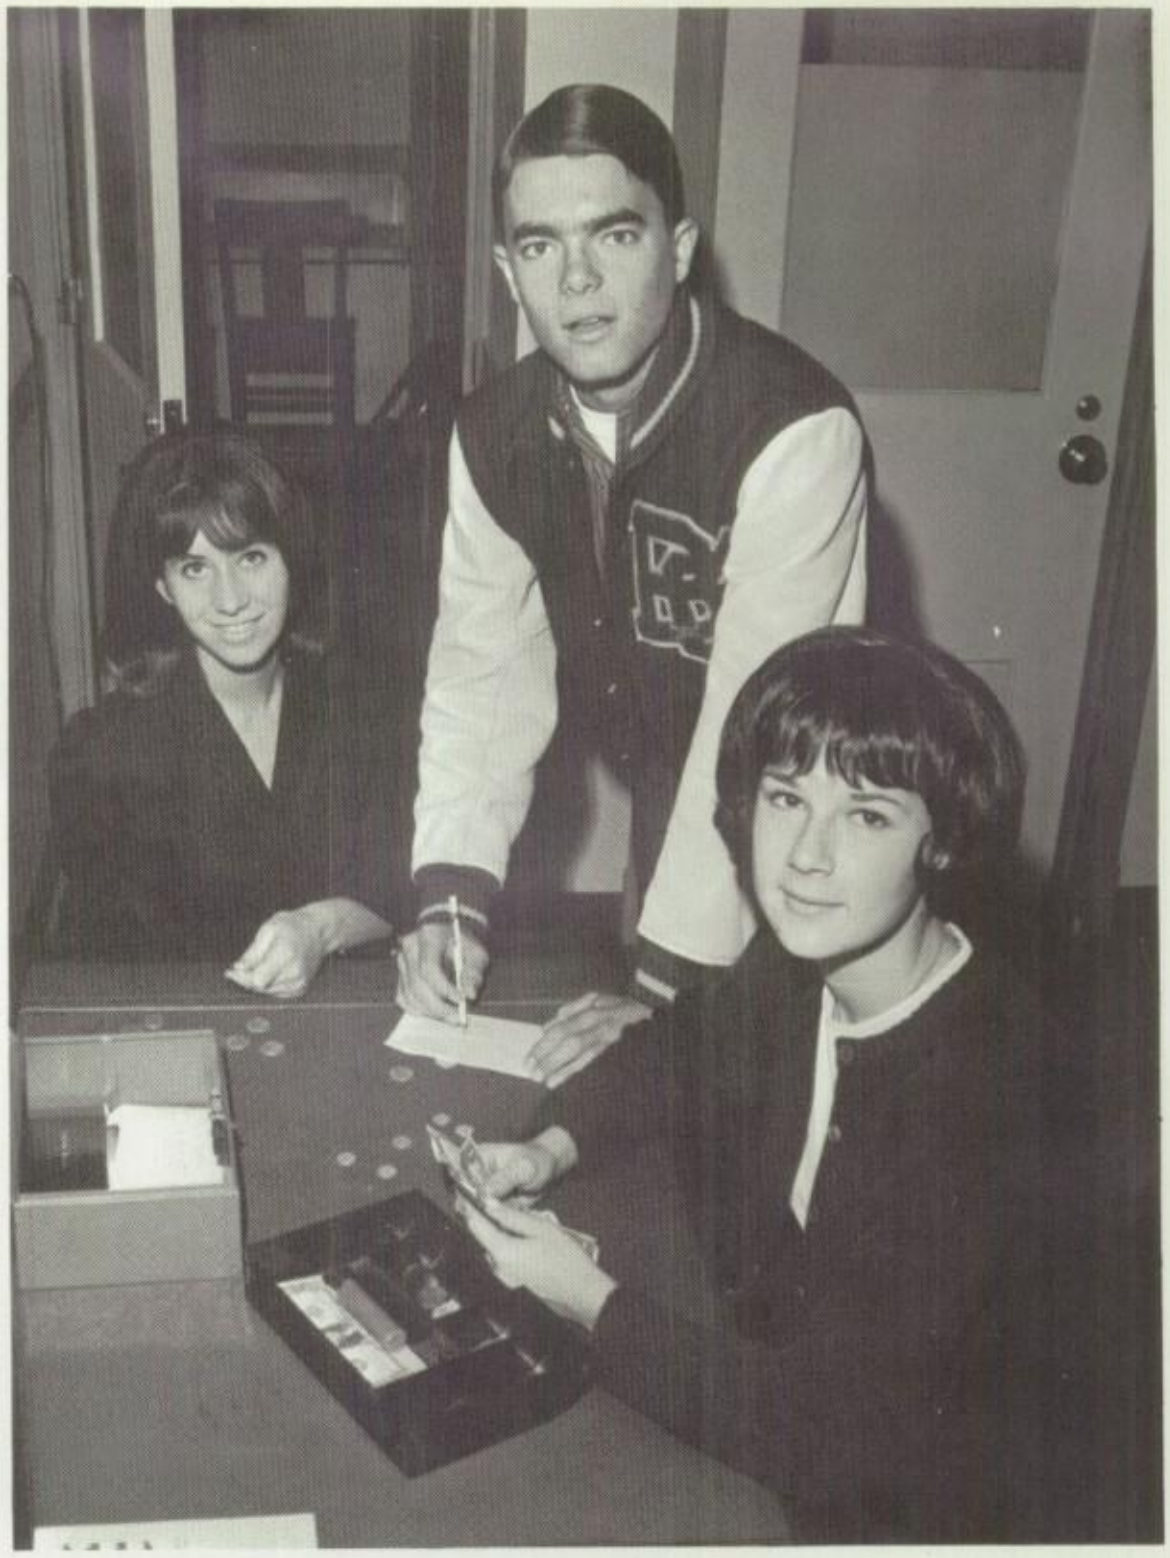
Class Of '67

In their first year as upperclassmen, the juniors again showed determination and a will to succeed. The class was led by Larry Lanz, president; Carol Fitzmorris, vice president; Karen Rafnel, secretary; and Joan Lohmaier, treasurer; while, Mari Lynn Hobson represented her class on the Executive Committee, and Carl Sweet and Janice Peterson were Board of Control members. Headed by this creative and enthusiastic group of officers, the junior class sponsored many unusual and successful activities.

Hillcrest Park set the scene for a gala picnic which was culminated by the Powder Puff Football Game and a roaring victory for the junior gals.

Hailing the Wildcats' victory over Troy, the juniors presented an aftergame dance which featured the lively rhythms of the Jaywalkers.

Academically, the class of '67 had more CSF and honor roll students than any other class. Their energetic response to the student government, competitive speech, drama, and other areas of student participation brought them well-deserved laurels.



Junior class officers Karen Rafnel, Larry Lanz, and Joan Lohmaier busily tally profits from a recent junior activity.

Class Of '68

Well on their way to an outstanding high school record, the responsive sophomores continued their tradition of note-worthy accomplishments by actively participating in numerous activities.

President, Joe Rametta; vice president, Alex Henderson; secretary, Debbie Easton; and treasurer, Phyllis Shop, headed this group of enthusiasts, with Henderson and Rametta both contributing to varsity sports.

The speech department was the recipient of sophomore, Cathy McGough's dramatic talents, while her classmates demonstrated their versatility in many areas ranging from home economics to industrial arts.

All in all, the forceful class of '68, with Mrs. Basset, Miss Brimhall, Mrs. Hicks, and Mr. Yates providing meaningful guidance, can anticipate even brighter achievements in the next two years.

Class Of '69

President George Davidovich and secretary Rhonda Gaston head for class meeting.

Although time and toil always seem to tell, the freshmen defied this adage by making a prompt successful launch into our high school curriculum.

The Frosh activities flourished under the adept hand of president, George Davidovich. His exuberant cabinet was composed of vice-president, Gordy McWilliams, secretary, Rhonda Gaston, and treasurer, Cathy Higgins.

The presence of the willing and eager freshmen in football, swimming, track, G.A.A., and numerous other clubs was greatly received.

Academically, the determined class of '69 was not idle. Many pursued advance courses in the field of science, speech, math and business.

The conquering class of '69 has many worth-while talents to offer and three promising years in which to develope them.

School Board Moves Ahead

Heading the administrative system of the Brea Olinda Union High School District are: Grant Hendricks, President; Bonnie Brucks, clerk; Lee O'Malley, Nathanial Wolcott, and James Tyner, members of the Board of Trustees.

These five, elected to their posts, receive no compensation for their many hours of work other than the sincere appreciation on the part of the students, administrative staffs, and faculties of the B. O. U. H. S. district.

The major project of the trustees revolved around the unification issue which was successfully settled earlier this year.

Mr. Grant Hendricks

Mrs. Bonnie Brucks

New Superintendent

DR. BOLIE

Dr. Paul Bolie has recently been named the new Superintendent of the Brea Olinda Unified School District. Effective July 1, 1966, he will assume his new position.

Dr. Bolie's credentials entitle him to serve as a teacher and an administrator in Iowa, New Jersey, and California. Previous to this position at Brea, he has had 19 years of secondary and administrative experience in all levels and various capacities.

Dr. Bolie was born and schooled in Iowa where he accomplished his undergraduate work and received his Bachelor of Arts degree at Coe College in Cedar Rapids, Iowa, and a Master of Science degree at Drake University in Des Moines, Iowa. Culminating these degrees was his Doctor of Education degree at Columbia University in New York City, New York.

When asked about his feelings after one year's residence he said, "I'm very much impressed by this school and the kids in it." His educational philosophy may best be summarized by one of his own remarks, "I'm glad to be involved in providing education because it involves America's most important resource—young people."

Dr. Paul Bolie

Dr. Bolie discusses plans for the new Brea-Olinda Unified School District.

Mr. Hassing

Certainly one of the most important men on our campus is Mr. Victor Hassing. As principal, Mr. Hassing is faced with a great responsibility: that of maintaining and updating the vast organization that is our school. Through his doors pass all the problems of our school: curriculum schedules, teacher's schedules and problems, student government functions, school business, guidance problems, and probably most important, communications between students, teachers, and our school board. This year Mr. Hassing was particularly concerned with the unification of Brea's school districts, and the expansion plans that must be developed to meet our population increase. The vast complications which arise from these operations have been studied by our principal, and for the most part, all have been answered. Without a man of Mr. Hassing's ability and perseverance, none of these projects could be completed, and Brea-Olinda would not be the fine school that it is.

Administrators Plan

Mr. Kroeger

Mr. Vernon Kroeger, our Dean of Students, is probably one of the busiest men on our campus. As general counselor for the sophomore class, he plays an essential role in developing students' programs and helping many select the right careers. In addition, Mr. Kroeger provides guidance counseling for any student body member who has questions in regard to vocations and he is always ready to hear any type of problem. Mr. Kroeger is also the adviser for the Key Club and President of the Brea Kiwanis Club.

Miss Whisnant

A warm smile, words of encouragement and advice characterize Miss Maxine Whisnant, the Assistant Principal, Girls' Counselor, and Girls' League Advisor at Brea-Olinda. Miss Whisnant, known to all on campus as "Whiz", came to Brea-Olinda twenty-six years ago to begin her career in the Physical Education and the Orientation Departments. Later she also taught geography and senior problems. Vice Principal became her new title in 1947 and then assistant principal in 1961. Included in her busy schedule as assistant principal, Miss Whisnant counsels Freshmen. In addition to serving as Brea-Olinda's Girls' League advisor, Miss Whisnant has also served this year as the president of the Girls' League Advisors' Association. The past several summers have found Miss Whisnant traveling quite extensively. "I guess it's become a habit", she commented. Her excursions have taken her to Europe and the Orient where she attended the University of Tokyo. The past two summers have been filled with freighter trips to the Mediterranean and the Scandinavian countries. Through her genuine understanding plus her world of experience, Miss Whisnant has won great respect from both students and faculty.

chool Expansion

Mr. Goff

"Where's Mr. Goff" is a phrase often heard around the halls of Brea-Olinda. The reason is, of course, that Mr. Goff is Dean of Student Activities, an office that requires his "OK" or participation in almost anything that happens around our campus, from attending Executive Council Meetings to lining up a band for the Co-ed Dance. It seems he always has a ready answer to any problem, and certainly more than once his advice has helped the wheels of the Student Body to run smoothly.

Mr. Cookson calmly relaxes while student teacher, Mr. Wise, takes over class.

Mr. Walter Wise conducts class during a civics speech given by Steve Ellis.

Studies Of Yesterday

Human experience, from the past to the present, represents the main tool used by our Social Studies department to prepare us for the future, and thus through a knowledge of man's past experiences we prepare for better citizenship.

In Orientation, Mr. Klaas attempts to teach the basis of safe driving and first aid.

World History, taught by Mr. Reed and Mr. Hastings, provides a foundation for man's development and progress.

American History gives us a valuable knowledge of our American heritage. It is taught by Mr. Yates and Mr. Reed.

Problems of modern living are dealt with in Civics and Senior Problems, taught by Mr. Delanty and Mr. Cookson.

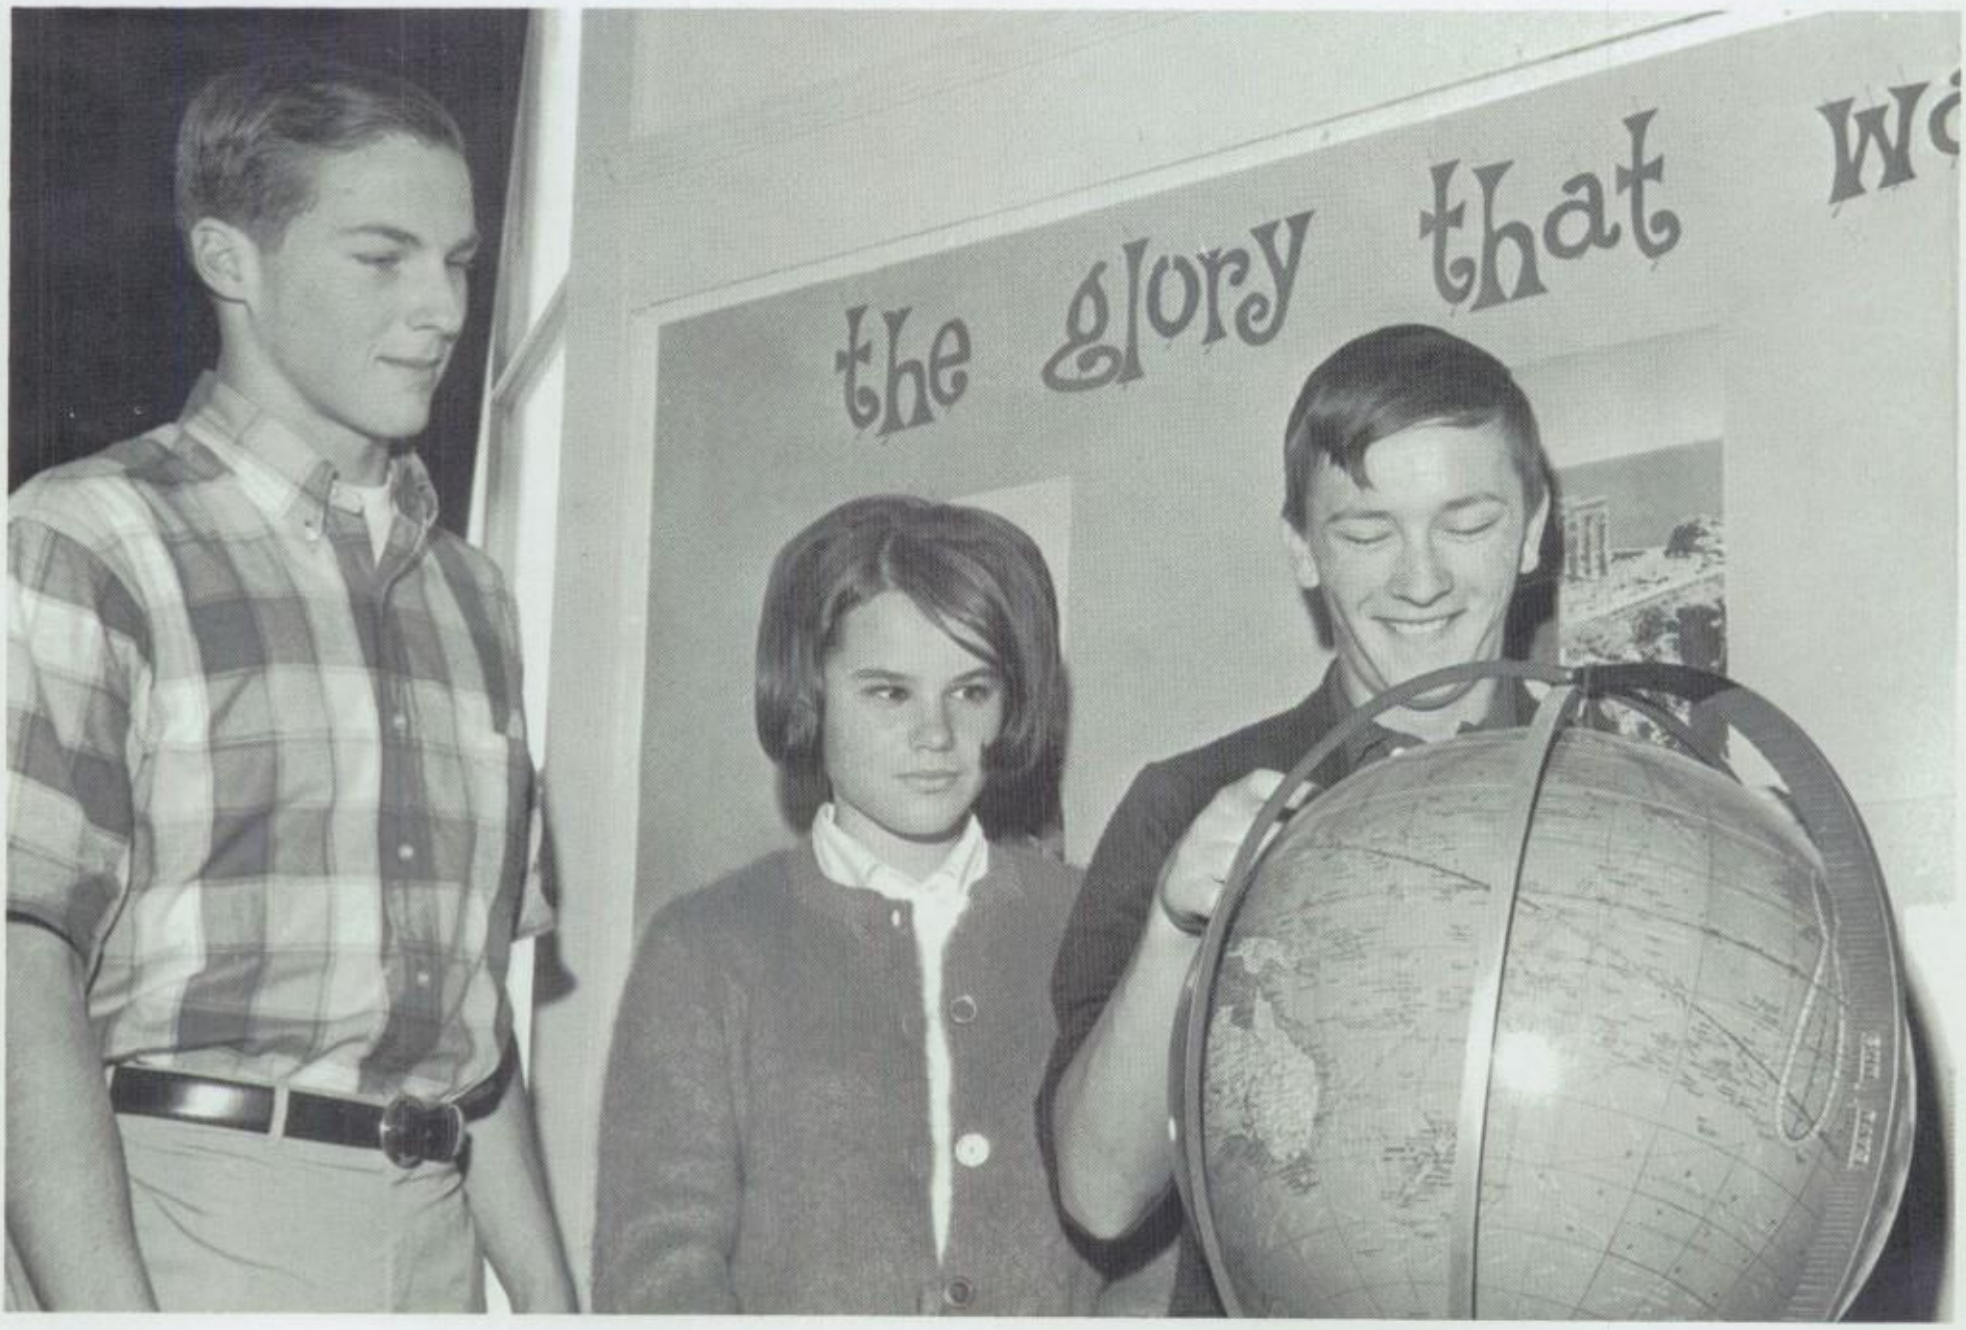
Mr. Gerald Klaas

Reveal Lessons For Tomorrow

The Social Studies Department at Brea-Olinda, through fine presentation of material and unusual special projects, helps every student enjoy its programs.



Alex Henderson, Jacque Rowe, and Mike Lasater observe our world in its glory.

Mrs. Clara White

"You committed the unforgivable" says Mrs. White, as she informs Bosco Wheeler and Ron Gardy, of their sentence fragments and run ons.

Mr. Dale Hanson

Communication is a most vital element to the success of our society. Without understanding the hows and whys of English and grammar, we could not effectively express ourselves.

English courses here at Brea range from Great Expectations in Freshman literature, to Julius Caesar in the Sophomore year; from Robert Frost's poetry in English III, to complex grammar forms in English IV. The one thing they have in common is they all serve to make us better able to communicate.

This year's English Department has grown not only in number of instructors, but also in equipment for use in teaching, and their effectiveness is evident in the work of students presented during Humanities Week.

"I don't care what your theme is about, as long as it's organized." These words may be readily recognized by Mr. Woirhaye's students.

Mrs. White believes vocabulary is an essential part of English grammar.

Foreign Language

Our world is becoming increasingly smaller through rapid transportation and communication, and we, as citizens and future leaders, must be able to promote understanding and friendship to our foreign neighbors. Preparation for this is being accomplished in the foreign language department at Brea-Olinda, where students are becoming proficient in other languages. Classes in both Spanish and French offer the student instruction, not only in language itself, but also the country and customs it represents.

Spanish classes are taught by Mrs. Butler and Miss Brimhall, while French is under the instruction of Mrs. Fox and Mr. Greer. Students in these classes can be found attentively listening to tapes, practicing grammar drills and performing in dialogue situations.

Mrs. Nedra Fox

Mrs. Ruth Butler

Miss Judith Brimhall

"Friends, Romans, Countrymen, lend me your ears!" exclaims Judy Wurst.

Speech

Whether it be an oral interp or an impromptu speech, students in Mr. Allred's speech classes are constantly striving for perfection.

The highlight of this year's speech program occurred during January when the entire student body participated in Oral English Week.

The activities included competition between students and classes in the categories of humorous and dramatic interpretation. As a finale the trophy winners presented their speeches before an assembly.

Journalism

The Journalism department has prospered in '66 through expansion and revision which divided the newspaper and the yearbook classes into separate sections.

The beginning journalists, whose task is to publish the Wildcat, have evolved into editors, reporters, and proof readers. Variety and Human interest features have made bi-monthly publication possible and profitable.

The completion and publication of this annual can be accredited to the second year journalism students. The overwhelming sale of advertisements was responsible for a fifty page extension, creating the largest annual in the history of Brea.

Journalism students, Christa Campbell, Phyllis Cannon, Jacqui Freberg, and Jennifer Canavello point out Miss Noga's mistakes to her.

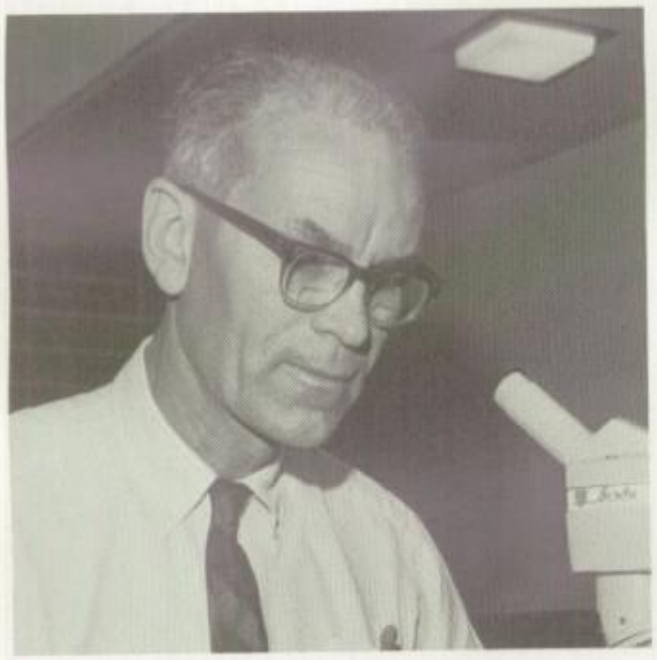
Science Intrigues All . . .



Mr. Karl Fanning

Exploring the intriguing unknown in the world of microscopes probing deeper and deeper to find the answers; these are the characteristics of the science students at Brea-Olinda. Guiding these future scientists in the unknown are Mr. Karl Fanning, Mr. Fred Pratley, and Mr. Wilbur Chansler; each one ever impressing upon their students the importance of the many sciences.

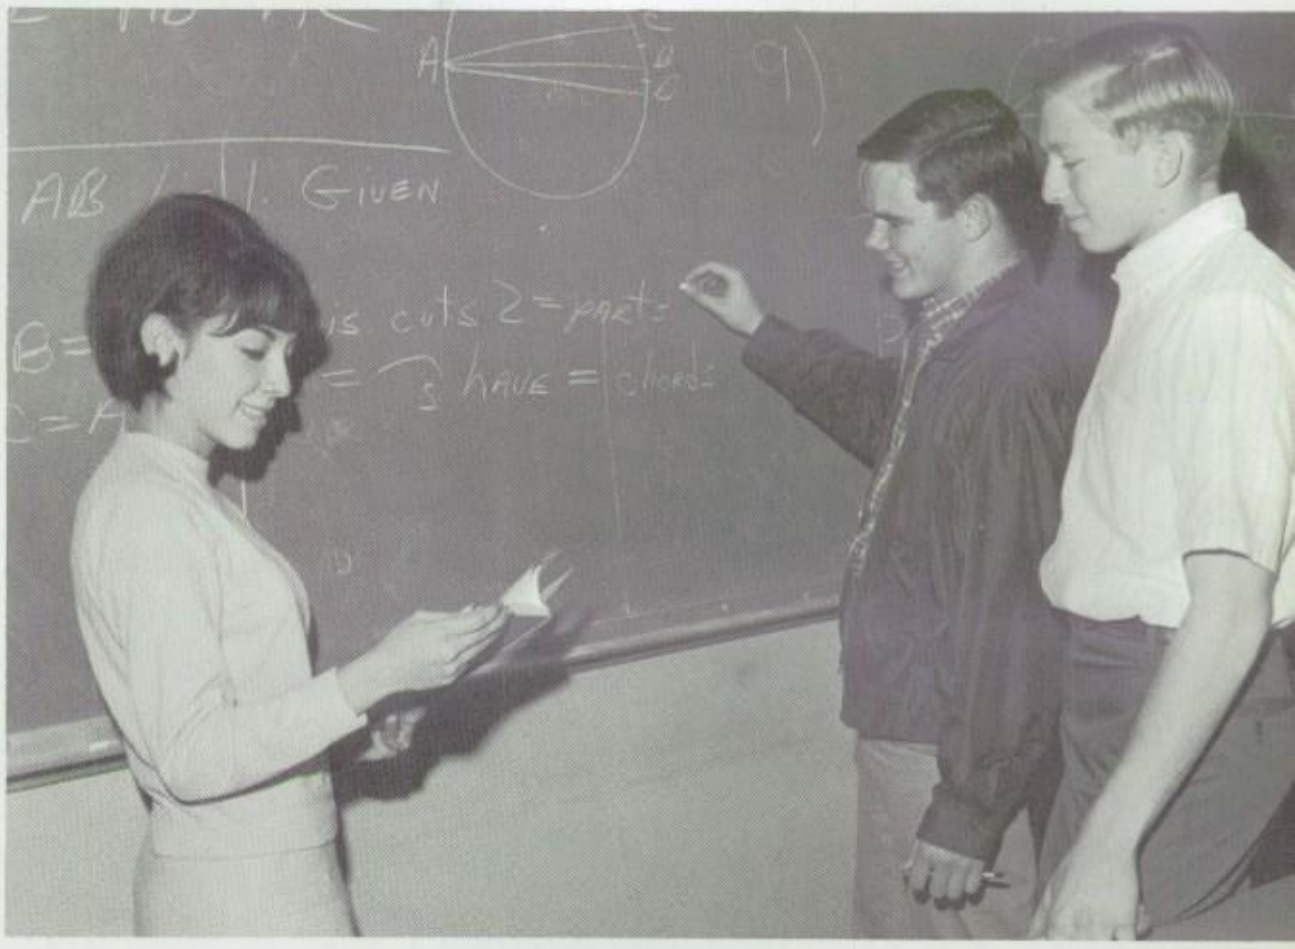
This complicated theorem is known as "De Moines Theorem" to our advanced math students. To others, however, it is a forthcoming challenge, one which will open a new area of learning to a large percentage of Brea-Olinda students.

Such dedicated teachers as Mr. James Hilleary, Mr. John Greer, Mr. James Bell, and Mrs. Diane Johnson, through their inspiration and knowledge, help us achieve new heights in mathematical expression.



Students are busily working out their homework problems in front of the classroom.

Art Department

Pottery, paper mache, water colors, tapestry, and oil painting were displayed on the Brea-Olinda campus during Humanities Week. At this time art shows were held featuring the creative accomplishments of the art students guided by Mrs. Rymer. Teachers judged the entries and ribbons were awarded for outstanding achievements.

Abstract, impressionistic, and realistic works of art arrayed the bulletin boards in various sections of the school. The Art Department, combined with the Music Department, has future plans for a Fine Arts Building on campus.

Mr. Marlin Tischbierek

Music Department

Music is one of our respected and acknowledged departments at Brea-Olinda. The hard work and talent of Mr. Marlin Tischbierek, combined with the fine efforts of all music groups, has made such events as the Christmas Program and Spring Concert enjoyable traditions.

The band and choral groups have brought much recognition to our school, and the record of achievements compiled during the year by the department surpasses those of any other year. In all areas, the music groups have attained top honors.

Physical Education

Amidst proddings from her teammates to carry all the way for a goal, this hockey player dribbles skillfully down the field.

Push-ups, sit-ups, hockey, tennis, and basketball are just a few of the adventures awaiting students in the Physical Education Department at Brea-Olinda. What a relief it is to get away from the books for an hour each day and join the ranks on the field, in the pool, or on the gym floor. Girls' sports led by Miss Barbara Doyle and Miss June Crowell encourage physical fitness and active participation in a variety of girls' athletics.

For the boys the year includes rigorous activity in football, swimming, basketball, mixed with work-outs on the newly acquired weight machine. Mr. Jean Martin and Mr. Pat Putnam head the boys' physical education classes.

Practical Arts

Whether trying to be a top mechanic in our space-oriented world or merely preparing to save a little money on home improvements, our students are being well oriented in our industrial arts department.

Mechanical design and drafting, taught by Mr. Straw, are important in today's society, for they represent a finished product on paper.

Wood and metal shop not only teach students skills neccessary for work in later life, but also allow the construction of many useful objects. Mr. Anderson and Mr. Gruver were responsible for the fine work coming from these departments.

Agriculture is increasingly important in today's society. The Agriculture department, headed by Mr. Squires, is constantly studying and practicing new methods, and its success is demonstrated by the numerous awards taken by them.

Cooking, sewing, home decoration, and personal grooming, important parts of every girl's life are taught in home economic classes. Careful training and supervision are supplied to all students by Mrs. Jean Bassett, home economics teacher.

John Smith and Kevin Hunt examine some of the plants grown in agriculture.

or *Future Careers*

A consistent stream of demanding students flows through each of Brea Olinda's business offices daily. A request is always in order for one of the "faithful five" consisting of Marilyn Smith, high school office; Virginia Day, attendance; Rosemary McGough, student records; Ruth Forkus, district office; and Dolores Varner, student body funds.

In addition to pacifying administration and students, the "faithful five" generally keep Brea Olinda alive from one day to the next by exerting complete control over all circulating information. The staff also patiently trains students interested in future business professions.

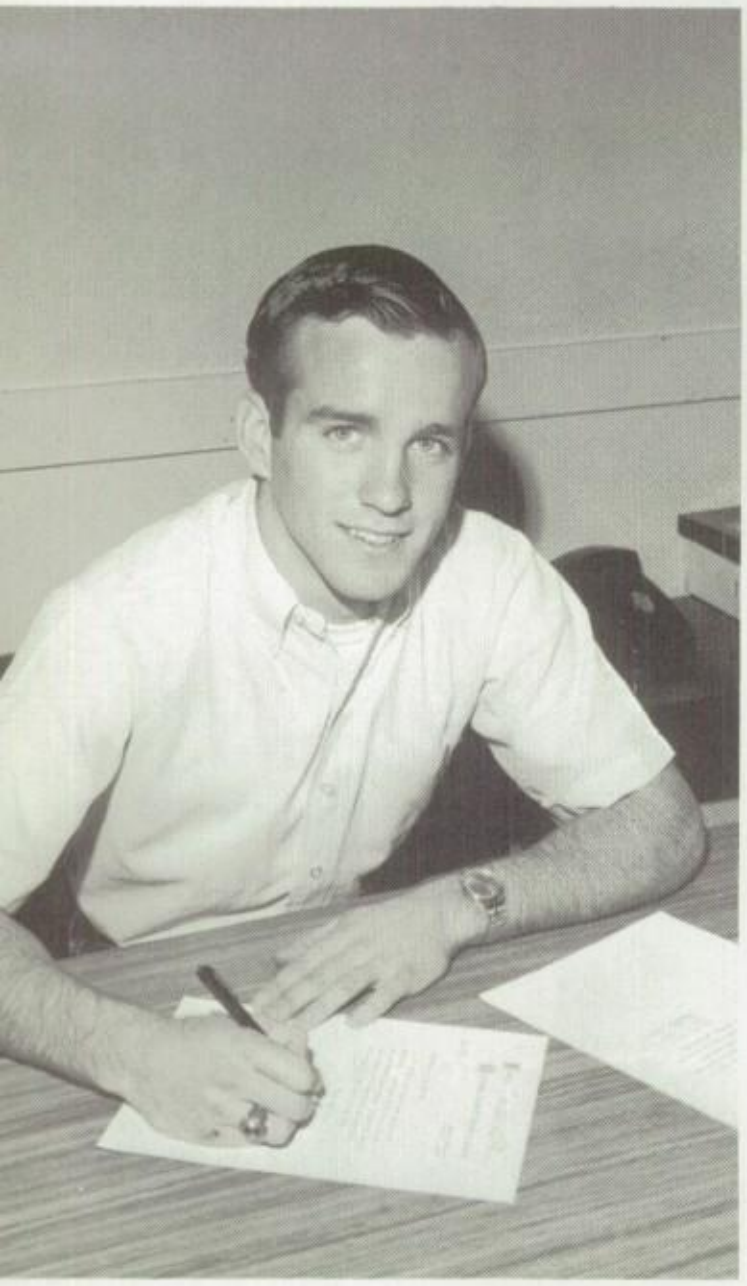
Bruce Pipkin
Student Body President



Student body officers and class representatives to the executive committee discuss plans for the Christmas Formal. They include Marilynn Hobson, Alana McGuire, Janine Stevens, Cynthia Clark, Phyllis Cannon, Chris Claydon, Bruce Pipkin, and Jeff Lee.

Composed of elected representatives from each class, the Executive Council is regarded by the student body as the meeting place for ideas of students and administrators.

The council draws the school together through control and guidance of all student activities, and it gives inspiration to the school curriculum by planning activities and assemblies for the enjoyment of the student body.

With Mr. Goff supervising their work, the executive council under the leadership of Bruce Pipkin, initiated great strides toward bettering our school.

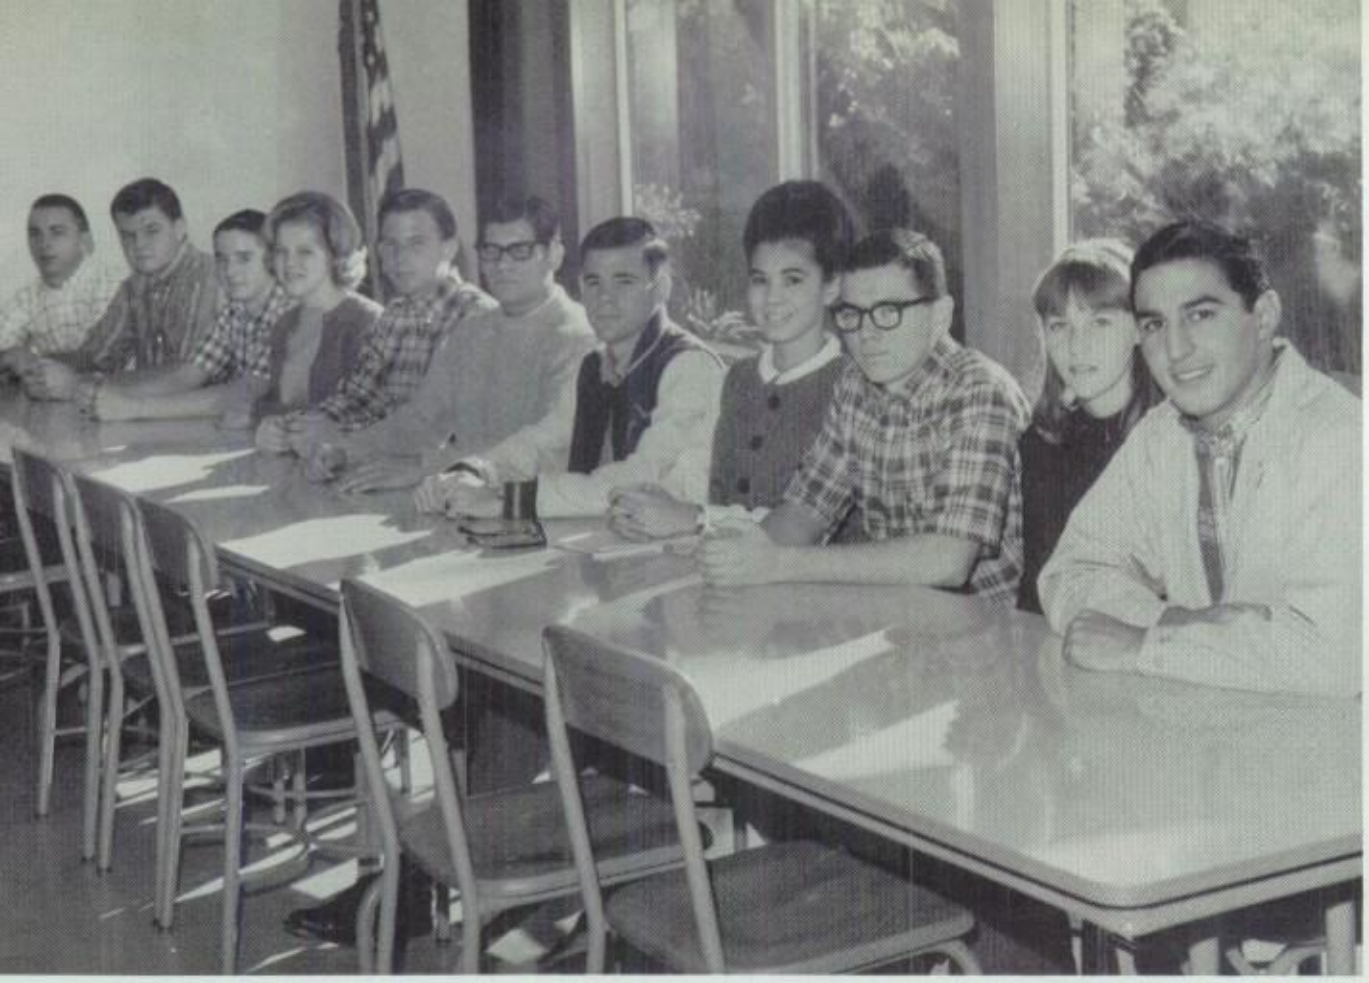
Board Of Control



School offenders must answer to this stern faced group. The Board of Control is composed of Carl Sweet, Bob Saulsbury, Doug Storm, Sharon Sandlin, Steve Patterson, Reed Herbst, Steve Christman, Barbara Horner, Alan Fanning, Janice Peterson, and Sam Rametta.

The judicial branch of our student government, The Board of Control, effectively upheld campus discipline this year. Its function is to better the individual by issuing summonses for offenses, thus improving the school's standing in the community. The important verdicts issued keep law and order and maintain the proper attitude toward school regulations.

To gain new and unique ideas on discipline, the board ventured to Troy and La Habra High Schools to observe their snack period behavior. Various governmental departments have also alerted the Board to the many intricacies of democracy.

Girls' League Cabinet

A unique Powder Puff football game, a fine Homecoming Dance, Candy Cane sales, at Christmas, and a most successful Co-Ed—all these activities helped complete one of the best years our Girls' League has enjoyed. Led by President Kris MacKain and aided by Janice Peterson, vice-president; Candy Carver, secretary; and Pat Martz, treasurer; the Girls' League proved itself an important part of school life by promoting such worthwhile activities plus sponsoring an entertaining and informing "good grooming" assembly.

The cabinet members aided the officers in carrying out projects that were a credit to not only the Girls' League, but Brea-Olinda.

Letterman's Club

Sports are important activities on any campus. The sportsmen of Brea, who earned a letter in any varsity sport, are recognized by their Lettermen's jackets. This is also the insignia of the Letterman's Club whose officers are: Mike McGinnis, president; Chris Claydon, vice-president; Steve Wonacott, secretary-treasurer; and Rookie Oxandaboure, sergeant-at-arms. This year the club sponsored the Co-Rec night which featured volleyball, badminton, basketball, trampoline, and dancing.

Interclub Council

The Inter-Club Council is an organization of the presidents or representatives of all clubs and publications on campus. They meet each week to coordinate club activities and "iron-out" club difficulties, in addition to serving as an advisory committee to the Executive Council. Many new ideas and new solutions to our problems are discussed at meetings, with many suggestions finding their way into Student Body policy. Probably its most important accomplishment is the communication which has been established between organizations and student government.

C. S. F.

C.S.F. at Brea-Olinda is an honorary club for superior high school students who have received 10 points a semester for high achievement.

This year C.S.F. was sponsored by Mrs. Fox and led by President Robert Cutting; Vice-president, Carol Bobo; Secretary, Susan Baltes, and Treasurer, Donna Mallet.

The club's activities included Alumni Day, projects during Humanities Week, the Kiwanis' Scholarship dinner, and a spring field trip.

Key Club

Sponsored by the Kiwanis Club of Brea, the Key Club has been one of the most active groups on campus. Mr. Vernon Kroeger played a double lead this year as advisor of the club and Kiwanis Club president.

Headed by an enthusiastic group of officers, Bob Cutting, President; Rick McGough, Vice-president; Lance Metcalf, Treasurer; and Secretary Jim Horner, the Key Club's main purpose is to make more informed citizens of its members.

Some of their projects included painting the school trash cans and holding their annual rummage sale. Adding to the tradition of the school, the Key Club artistically painted a Wildcat emblem on the boys' gym wall.

Tri-Hi-Y

Throughout the year Tri-Hi-Y has participated in numerous activities, ranging from a car wash to the donation of gifts to a needy family for Christmas. The year was highlighted by a week-end at the mountains.

Under the leadership of President Linda Varner, Vice President Sandi Klukan, Secretary Shari Jensen and Treasurer Rita Teeple, they have fulfilled their goals for the year.

Pep Club

We're from Brea . . . ! This is just one of the many chants and yells that were heard from the enthusiastic Pep Club. It is known for its spirit and participation at all athletic games.

A white shirt section was started this year and many hilarious skits were prompted by the president, Mari Lynn Hobson. Also, many sleepless nights were spent painting "SQUEEZ ORANGE" and "BURY THE PATRIOTS" on the never-ending supply of butcher paper.

Great strides of progress were made by this group, and even bigger and better things are foreseen for the coming athletic seasons.

Language Clubs Accelerate

Spanish Clubs

The major aim of the Spanish Club this year has been to broaden the students' interest in the Spanish language and customs. Under the direction of Mrs. Ruth Butler, the club's advisor, and student leaders, Elizabeth Arczynski, president; Mark Varner, vice president; and Judy Anderson, secretary-treasurer; the club has performed service projects for people of Spanish-speaking origin. Other activities included a field trip and a successful post-basketball game dance. To conclude the club's numerous activities was a Spanish dinner prepared by the members.

The junior Spanish Club officers were Bob Lephart, president; Ben Contreras, vice president; Sandra Alvarado, secretary-treasurer; and Miss Brimhall, advisor.

Future Farmers of America

The Future Farmers of America have had a busy year competing for the Master Chapter. This is an award given by the State for an outstanding Chapter of FFA.

Another point of interest was the State Convention in San Luis Obispo, to which we sent two representatives. Here various judging contests allotted Brea several FFA awards.

This year's club offices were held by Berry Kercheville, president; Terry Maestrejaun, vice-president; Lindsay Buckner, secretary; Robert Bjolland, treasurer; Ted Stouder, reporter; Tim McFadden, Chaplin; and Lynn Reber as parliamentarian.

Membership in the Art League is automatic for advanced art students. There are 25 art students with Mrs. Ilona Rymer as their advisor. The officers, Jody Sims, president; Mark Jones, vice-president; and Margaret Boatright, secretary-treasurer, decided to use the money from last year's candy sale to buy a tapestry which now hangs in the school library. Also they presented an excellent student art show.

Gusher Staff

"Where's the grease pencil?" Who took the football pictures?" "We'll never make this deadline!"

This was only part of the confusion heard this year. It seemed like there was no end to lost layouts, rubber stamps, and scads of pictures. Struggling to keep things moving were Steve Patterson, editor-in-chief, and Miss Noga, the Gusher adviser.

But in spite of the headaches and worries the advertising salesmen this year scored high, taking in more ads than ever before. The ad sales, in addition to student body and other funds, made the 1966 Gusher a $5,000 project and the largest annual ever!

A new step was also taken in the direction of photography. By using different and significant pictures, including action shots, the Gusher staff feels that it has truly captured the spirit of Brea-Olinda.

Wildcat Staff

In the classrooms, halls, and on the bus, the Wildcat is read by students who seldom realize the work and worry involved in organizing and preparing the paper for the press.

The staff, under the direction of Mrs. Marvella Crabb, diligently labored at informing students of scheduled events, reporting recent developments in the scholastic situation, and providing worthwhile literary entertainment that included for the first time feature articles and editorials.

This year's newspaper includes a new theme under its banner—"Preparing for the Future Through Communication", which came as the result of a slogan contest won by Candy Carver. The newspaper has also been enlarged and is now put out bi-monthly due to extra ad sales and time contributed by a conscientious staff.

Assistant editor, Sandy McCormick dictates copy to Judy Anderson, editor-in-chief.

Wildcat staff members are: Shari Jensen, Pam Martz, Sally Rasmussen, Peggy Manring, Donnita Moist, Tina DiFloria, Jeff Canavello, Karen Rafnel, and Mike Ham. Seated are Candy Carver, second semester editor; Carol Fitzmorris, second semester assistant editor, and Joan Lohmaier, second semester editor.

Sharon Staggs, band president, proudly presents the first trophy won by the band in twenty-four years to the student body in a pre-school assembly.

Music

Since Mr. Tischebierek has arrived at Brea, the choral groups and band have increased in both skills and size. The fine blending of voices and instruments under his efficient and able direction shows the charm of accomplishment.

When the band displays the green and gold during football pre-game and half-time shows, it instills in all an enthusiasm which brings forth support and action when we need it most. In parade participation the band always placed superior to groups of larger size.

The Madrigal Singers are specially selected and sing old English music. They help to make Humanities Week a success.

The choral groups diligently practice the music which is carefully screened by Mr. Tischebierek.

LIQUIDATE LOWELL, SMEAR THE ARTISTS. These as well as other chants made the 1965 Brea-Olinda rooting section really rock with spirit as the Wildcats cheered their teams to victory. WILDCATS ARE GREAT! And so were the various pep squads who served Brea this year. "Come on now yell, louder . . . louder!!" blared over the microphone, as head yell leader, Linda Faris, along with the other yell leaders and Winky encouraged full support from the white-shirted student section.

Lowell; Grabs Second

Coaches Fred Eickelberger, Doug Bell, Glen Hastings, and Pat Putnam.

After a rocky, stormy 1964 season, the fighting green and gold once again ascended to a higher glory this year. Though the team's 5-4 season record doesn't say much, the 'Cats' tied for second with a 3-2 league record, indicating a tight league race.

This year the Wildcats had four players, two linemen and two backs, nominated to the All-Orange League team. They were quarterback Carl Sweet, halfback Dave Cooke, left tackle Bob Saulsbury, and left guard Mike McGinnis.

Brea got off to a fast league start by defeating Laguna Beach and Troy in consecutive home games. Then on the road, we suffered our first loss at the hands of league winner Foothill. Again we were shocked by losing our Homecoming game to San Clemente 7-0. Then we went to Lowell where sophomore southpaw Alex Henderson and Carl Sweet provided an excellent aerial display that knocked the Patriots out of CIF contention in a game that Wildcat fans will long remember.

Next year the Wildcat captains will be Carl Sweet, Tom Skinner, and Rookie Oxandaboure. Also next year Brea will be in the tougher Crestview League with such teams as Valencia, Tustin, and Loara.

Wildcats Of The Week

Sweet

Carl Sweet won his award in the Valencia game through the interception of two passes and his excellent quarter-backing which led us to our first victory over the Valencia Tigers.

Cooke

In our first defeat from the Orange High Panthers, Dave Cooke made several attempts to steer the Wildcats to victory. Though faced with defeat, Cooke played an outstanding game.

McGinnis

Putting out a 100% effort from his guard position, Mike McGinnis did his best to prevent our second loss of the season at Bishop Amat.

Skinner

Helping to lead the Wildcats to their second victory from his fullback position, Tom Skinner was a major factor in our win over Hart.

Bee's And Cee's Gain Valuable Experience

The Bee football team, though not as strong as in previous years, did quite well. The team, coached by Mr. Cookson and Mr. Straw, turned out many fine performances. The players who excelled on both offense and defense were co-captains Tim Terrell and Doug Makins, spurred by most valuable player Jeff Canavello.

The Bee's gained much valuable experience and talent needed to produce next year's Varsity team.

The Brea Olinda Cee football team, coached by Mr. Hilleary and Mr. Pratley, found the going extremely difficult throughout the season. Although they finished the season with no victories, they did very well statistically, considering the players had had no previous experience.

Most of these boys will be on next year's Bee team, and should do very well with the experience that they gained this year.

Varsity Takes Fourth

Basketball

The 1965-66 Varsity Basketball team led All-Orange League by captain Sam Rametta and Larry Lanz. With only one returning letterman, and one transfer, Pat Heany, the Wildcats managed to take fourth in the league. Coach Martin stated that the season was basically a building one. Next year there will be six returning lettermen, including the following starters; Alex Henderson, Jack Collins, Carl Sweet and Larry Lanz. One of the drawbacks to next year's season will be the advancement into the larger and tougher, Crestview League.

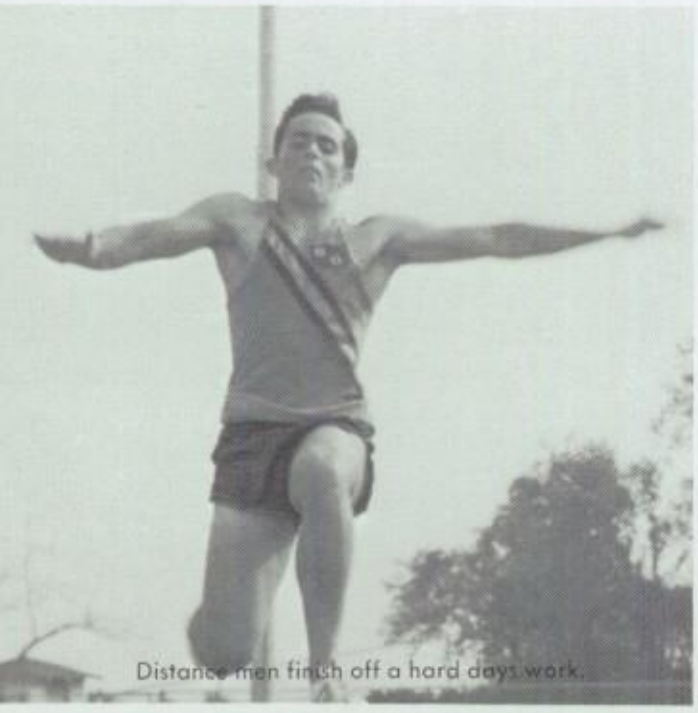
Track Team Runs Over Past Records



Distance men finish off a hard days work.

The 1966 Brea-Olinda track team got off to a fast start this season with a C.I.F. win in the L.A Sports Arena. This event was a great honor for the school as well as the four boys who ran in the event.

Despite a lack of depth, which has plagued Brea-Olinda for several years, the Wildcats had a very successful season with many records broken early in the season by Varsity leaders Dave Cooke, Jeff West, and Gil Gerhardt.

Coach Putnam watches as Byron Shanks delivers.

Coach Pat Putnam's baseball squad, this season, enjoyed one of the best years any Wildcat nine has had for quite a while. Strong performances by every team member produced many exciting games and a high league finish.

Bolstered by the hitting power of Senior Tom Lyle and aided by the pitching of Randy Jones, Byron Shanks, and returnee Dan Goodwin, the Wildcats seldom lost by being outplayed, and finally overcame most of their own errors. All in all, the Varsity baseball team had a season of which to be proud, demonstrating Brea-Olinda's winning ways.

Swimmers Drown Opponents

The Wildcat swimmers swam to many victories this year for the most successful season yet. The main reason for the improvement of this year's team over the teams in the past was Mr. Bell's "cracking the whip."

With practice occurring twice a day, the yards turned into miles, and the swimmers became victorious.

Lloyd Compton, Tom Crum, and Chip Grady led the freestyle while Pat Wible and Ben Ward excelled in the backstroke. Steve Christman and Jeff Lee were consistent winners in the butterfly, and John Morse was triumphant in the breast stroke.

Along with the Wildcats triumphs, numerous records were broken.

The golf team, coached by our own indefatigable Mr. Martin, probably enjoyed one of its most rewarding seasons. Even if they didn't win every match, some really great courses were played and a lot was learned by all members. Tennis Team Soars To New Heights

This year's tennis team took a giant step toward league championship with the addition of a new talented coach Mr. Dean Garland. In spite of the lack of depth, this year's team turned out many brilliant performances, winning match after match. The most fantastic talent was shown in the singles matches with the efforts being made by the returning lettermen, Jim Horner, Jack Collins, Noel Chase, and Chris McKee. The freshman and sophomore members are gaining the valuable experience necessary to next year's team.

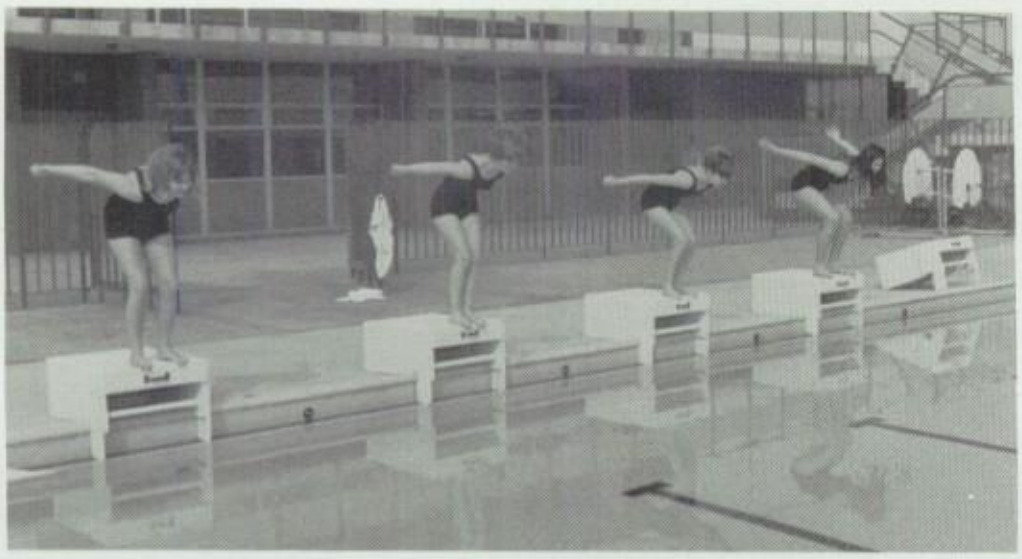
Out to the field G.A.A. girls,
Out to the field to run the track;
Out to the field G.A.A. girls,
To strain and break your back.

When you see the referee shouting,
And you hear the whistle blow,
Then you'll know the G.A.A. girl
Is once more on the go!

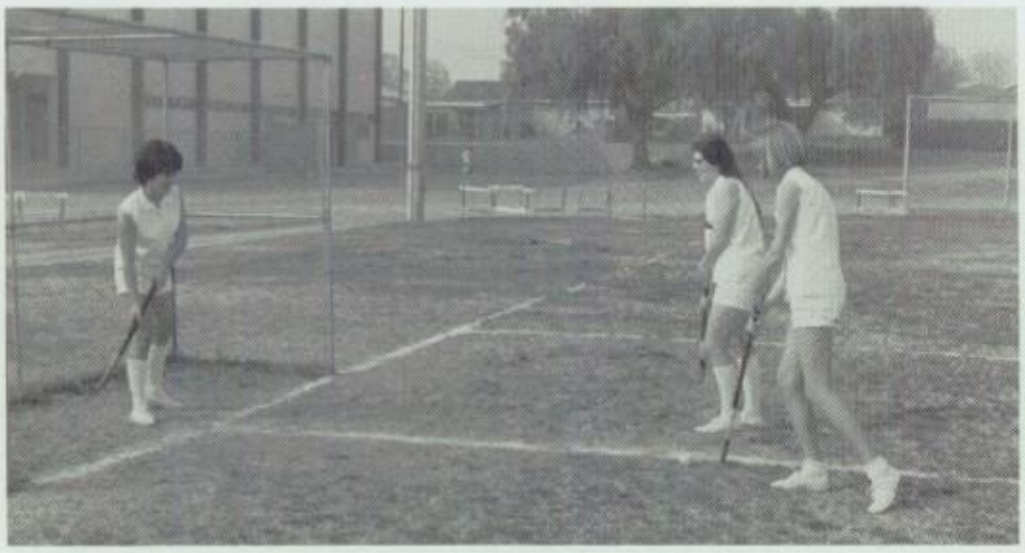
This fight song was sung early in the year to introduce girls to GAA, yet GAA hardly needed an introduction. The year started off with a hop, skip, and a jump, and a little bit of basketball and tennis. But the action did not stop here; it continued throughout the year as President Michele Cruce and her cabinet, with the help of advisors, Miss Barbara Doyel and Miss June Crowell, led over eighty girls in swimming, hockey, volleyball, modern dance, softball, and badminton.

In addition to enjoying everyday sports, GAA girls looked forward both to the playdays with other schools and the GAA Spreads, where participation, sportsmanship, and spirit, were rewarded in the form of points and letters.

Other GAA activities included this year's Sadie Hawkins, the Corn Ball, which through the midst of hay and pie turned out to be the biggest and best dance ever. The busy year was finally climaxed by the Father-Daughter banquet where major awards were given for accomplishments during the year.



"Take your marks, . . . go!" says the starter, but Mari Lynn, Pam, Juli, and Bette stand contemplating the cold water below.

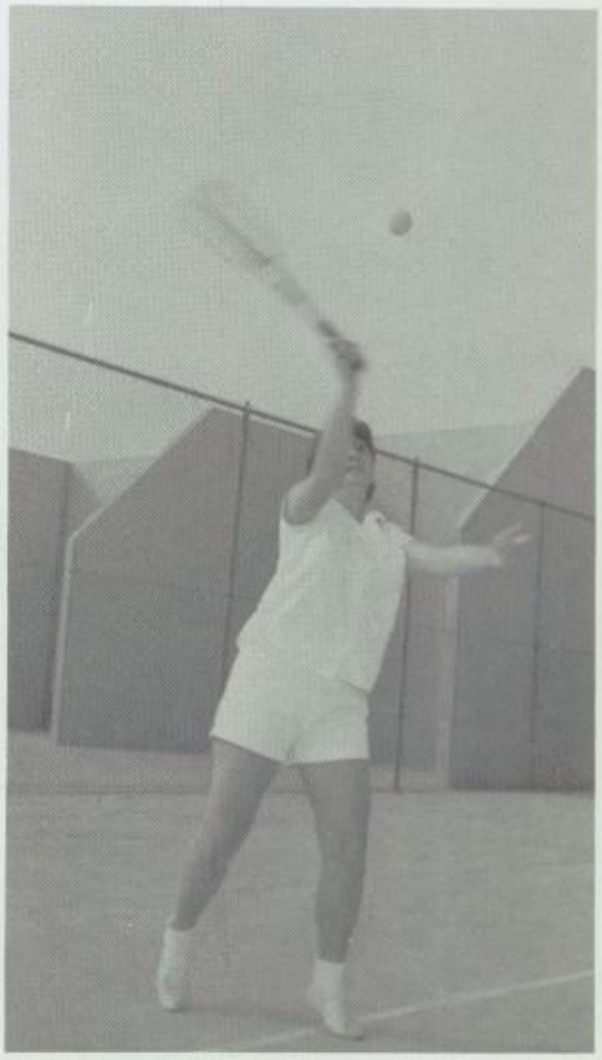


Suzanne and Sandi dribble in to make a goal while Ann, as goalie, prepares for attack.

It's just a jump ball but Marie and Linda look like they're reaching for the sky.

Develop Through GAA

"Hold it," says the camera man, as the modern dance girls assume their graceful, but back-breaking positions.



The score stands at love-15, as Angie Mariani steps into a serve with determination to even the score.

CAMPUS LIFE

Homecoming Court: Princess Barbara, Princess Christie, Queen Linda, Princess Sherry, and Princess Kris.

Our Queen—Linda Faris

Green and Gold Mustangs carried the five Homecoming Queen candidates onto the football field November 12, 1965. The tense and trembling girls awaited the crowning of the Homecoming Queen, whose election was determined by our football team. Dave Cooke, the football captain, then crowned, kissed, and presented one dozen red roses to surprised and excited Linda Faris.

Queen Linda, who was escorted by Jeff Lee, began her years at Brea-Olinda as freshman representative on the Executive Committee. She was secretary of her class during her junior year and a statistician for the swim team during her junior and senior years. As well as being head-cheerleader she is also known for her enthusiasm and participation in many school activities. Linda sang with the choir in her senior year and has been an active member of the Pep Club.

Kris MacKain, Girls' League President, was escorted by Sam Rametta. She has been a member of C.S.F., the Spanish Club, G.A.A., Choir, Silvernotes, Quill and Scroll and Honor Society. During her freshman year she was class representative on the Board of Control. Being Girls' League Treasurer, "Wildcat" editor, and A.F.S. president, filled up her junior year. She promoted school spirit being a Varsity Yell Leader and a member of Pep Club.

Barbara Horner was secretary of Board of Control and Welfare Chairman on the Girls' League Cabinet during her senior year. She has excelled in tennis and other G.A.A. sports, and was an active A.F.S., Pep Club, and Home-Ec Club member. She was Girl of the Month her senior year. Barbara was escorted by Bruce Pipkin.

Sherry Shop was escorted by Jeff West. She was a Song Leader during her junior and senior years. She was treasurer of G.A.A. her sophomore year and has been a member of the Home-Ec Club, Latin Club, and National Forensic League. Sherry was Girl of the Month her senior year.

Christie Hering was a very active member in the Home-Ec Club all four years. She participated in banquets and fashion shows, and also belonged to the Pep Club. Christie was escorted by Reed Herbst.

"Polka-Dots and Moonbeams" was the theme of the traditional after-the-game dance which was sponsored by the Girls' League, honoring the queen and her court.

"Polka-Dots And Moonbeams"

Homecoming—1965

Queen Linda, escorted by Jeff Lee, reigns over Homecoming festivities.

Dave Cooke crowns surprised queen, Linda Faris.

Homecoming Court and escorts await the crowning of the queen. From left to right: Reed Herbst, Christie Hering, Jeff Lee, Linda Faris, Sam Rametta, Kris MacKain, Bruce Pipkin, Barbara Horner, Jeff West, and Sherry Shop.

Kris MacKain

In Kris MacKain, one can find a sense of responsible student-leadership with a strong will to succeed at everything she does. During her freshman year she was a class representative on the Board of Control, a member of Masquers, C.S.F. and G.A.A. In her sophomore year, Kris was Girl of the Month, a Silvernote and on the Girl's League Cabinet, in the Spanish Club, and C.S.F. Her junior year was a busy one. Kris was Girl's League Treasurer, Wildcat Editor, A.F.S. president, and a member of Quill and Scroll, National Honor Society, Choir, Pep Club and G.A.A. She also "broke novice" in speech and was given the N.C.T.E. English award. Being elected—cheerleader, Girls' League President, Choir president, Homecoming princess, and "Most All-Around" of her class highlighted her senior year. For these reasons it seems only fitting that such an outstanding student be chosen as Brea-Olinda's 1965-1966 Girl of the Year.

A mad scramble amidst hay flurries adds to the excitement of the evening.

Pie-contest arouses excitement from everyone.

Victorious smiles beam on the faces of this year's Li'l Abner and Daisy Mae; Carl Sweet and Janice Peterson.

"Corn Ball"

Unique is the expression used to describe this year's annual Sadie Hawkins Dance. Never before have the girls chasing after their fellas been met square in the face with a cream pie!

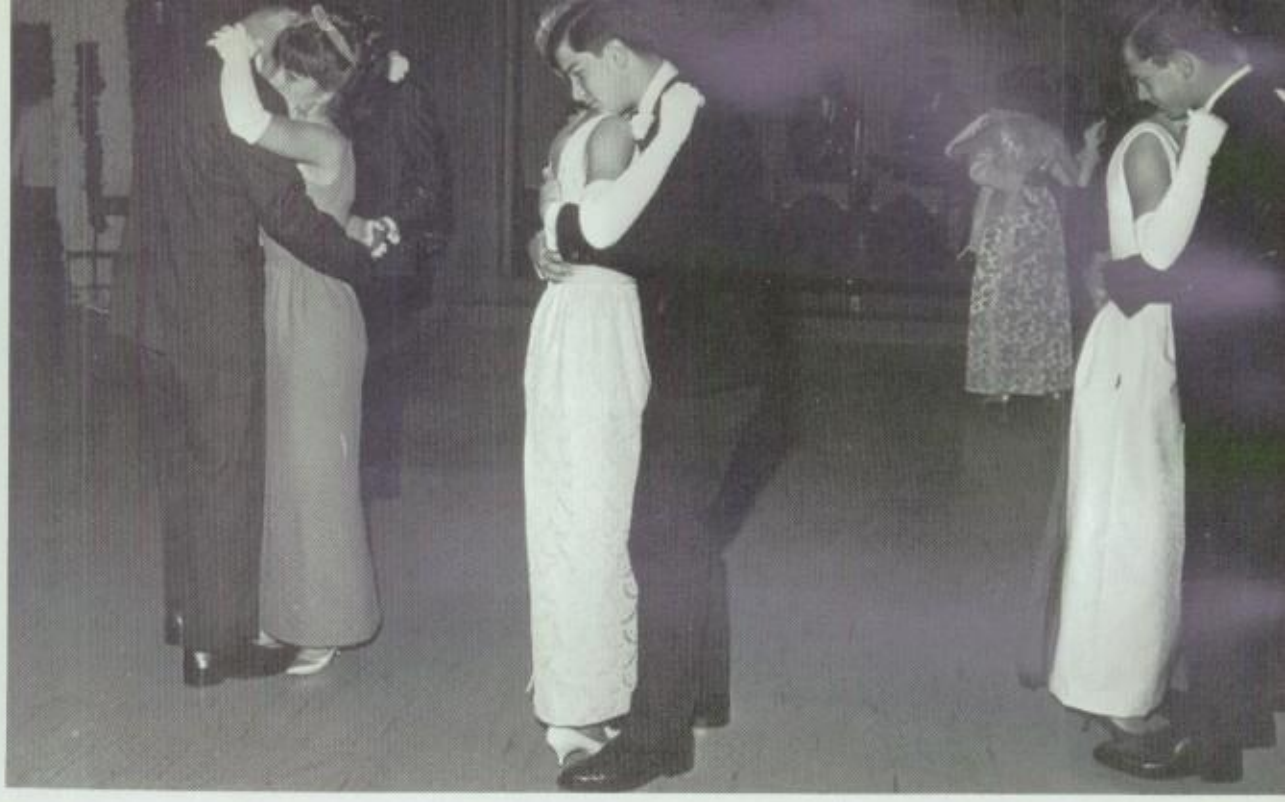
Sponsored by the Girl's Athletic Association this year's "Corn Ball" provided fun for all with a wild and woolly pie-eating contest and free-for-all hay fight.

Daisy Mae, Janice Peterson, and L'il Abner, Carl Sweet, were garbed with their symbolic hats as a finale to the evenings festivities.

Brea-Olinda's "hicks at heart" frolic in the hay.

Couples are eagerly awaiting to be married outside Marryin' Sam's door.

The Appollos created the romantic mood for this year's Co-Ed.



The "Sweetheart Tree" this year's theme for the annual Co-Ed Dance was sponsored by Girl's League.

"Belles And Beaus" And "Sweetheart Tree"

Door prizes are displayed by their lucky winners at the Christmas Formal.

This "Belles and Beaus" affair is one of the social events of the year.

Santa Saulsbury receives last-minute requests from Gil Gerhart, Janet Avery, Linda Lee and Jeff West.

Brea-Olinda "rockers" enjoy dance sponsored by the Gusher staff.

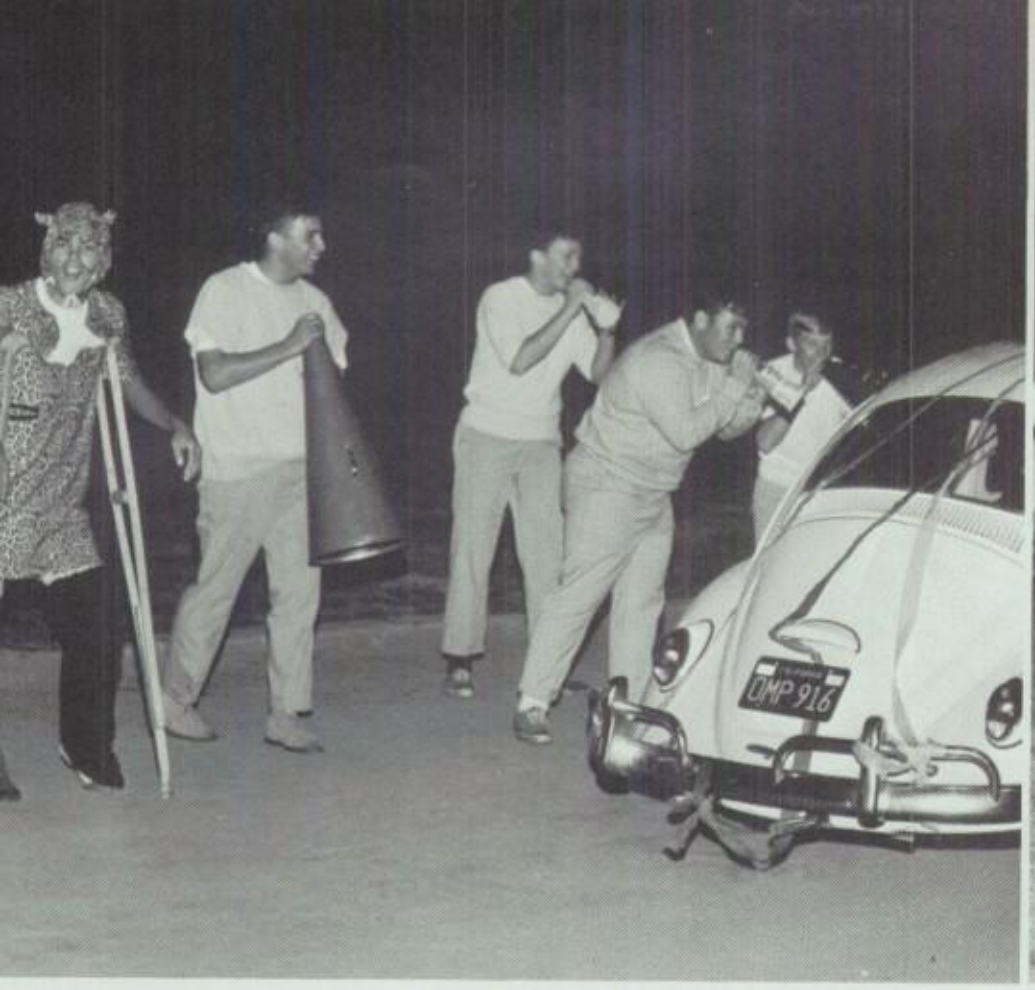
The yearbook staff provided special entertainment with an all girl's band, "The Farmers Daughters".

Cafeteria A-Go-Go

The Francois brothers frequently performed at after-game dances.

The "Victory" dance after the Valencia game was open to all.

The Executive Council sponsored the Valencia after-game dance.



Enthusiastically cheering the Juniors to victory were: Mascot, Jim Horner; Cheerleaders, Ken Carlson, Eddie Spring, Bill Higgins, and Tom Sandlin.

Mary Rioss, Junior Co-Captain, sprints for extra yardage.

Juniors Whip Seniors 13-0

The fleet-footed Juniors, although outweighed man-for-man, swept to a 13-0 victory over the Seniors at the First Annual Powder Puff Football Game, November 6, 1965. Sponsored by G.A.A., Pep Club and Girls' League, this event was a complete success due to the support of Student Body members.

Long, hard practices of rigorous conditioning under the direction of Senior coaches, Bosco Wheeler, Dave Cooke, Rich Rodgers, and Junior coaches, Chris Claydon, Rookie Oxandaboure, and Carl Sweet proved to be exhausting but amusing.

Powder Puff King, Dave Anderson, and court, presided over half-time activities.

Senior cheerleaders, Bob Saulsbury, Ron Gardy, and Bob Cutting led the Senior pep section.

Sharron Ward, Senior halfback, attempts to outrun the Junior backfield.

Remnants of the yearbook are heaved out by exhausted Journalists.

Staffers seek refuge from the claws and fangs of their notorious leader Patterson.

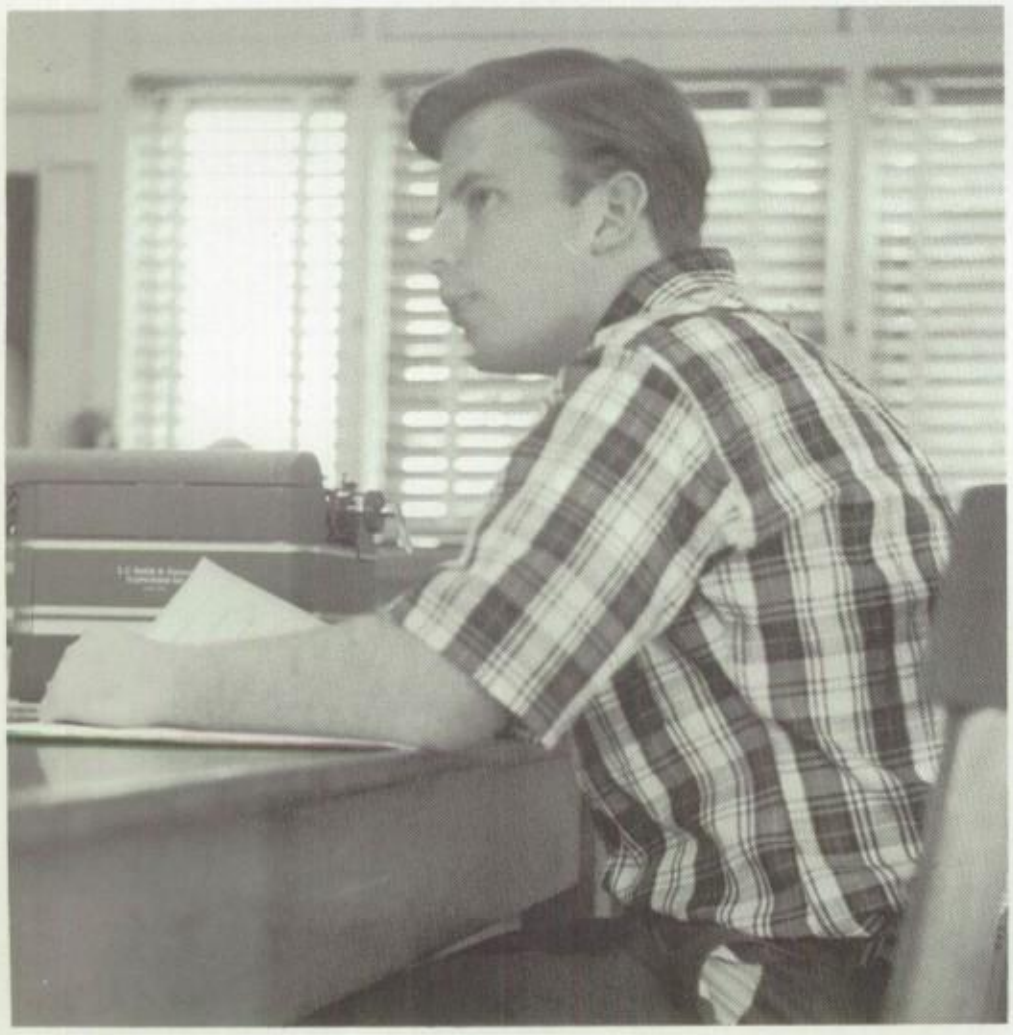
Take it or leave it Steve-meet the deadline or meet the guillotine.

Gusher Staff Relieves Frustrations

Spooks peep from behind shelves awaiting the explosive reaction after Gusher distribution.

Dedicated female staff members generously advise, or rather revise, defeated Jeff and Steve.

The annual staff spent many long hours pouring over yearbook copy and layouts.



Steve Patterson
Editor-In-Chief

On the last day of school a copy of the 1966 Gusher is distributed to the student body. This is the day when the editor receives congratulations from his fellow students. There is, however, a great deal of work that goes on before this time of which the editor is merely the coordinator. Recognition should be given to the following students for the many long hours of hard work put into this book.

Assistant Editor Bob Cutting could always be counted upon to do the extra jobs necessary to meet the deadlines. He was especially helpful in the development of the theme explanation, and editing of copy.

The Section Editors gave many time-consuming efforts to our journalistic endeavor. These people were Judy Anderson and Sandy McCormick, photo editors; Michele Cruce, art consultant; Christa Campbell, advertising; Donna Mallet, senior index; Janice Peterson and Helen MacKenzie, layout editors; Janice Rodgers and Patsy Kaltenbach, campus life; Steve Christman and Jeff West, sports; Susan Baltes, GAA; and Sandra Leffel and Sandy Klukan, typists. Also, sincere thanks is expressed to our new and talented journalism teacher, Miss Noga.

This year for the under classmen has been the beginning of a worthwhile experience, and for the graduate it has been the completion of a successful and eventful phase of their life or a final glance at their year of triumph.
